# GROUCHO SAYS:

"It Takes All Kinds Of People To Make A World"

In my business I talk to thousands, and I guess I've talked to just about every kind.

Now automobiles are a lot like people! There's a big difference between makes. Some are good and some not so good. Some have a flashy exterior, but not much under the surface. Others might be as solid as the Rock of Gibraltar, but they look just that way.

FORTUNATELY, THE

'55 DESOTOS And PLYMOUTHS

Are not only beautiful to see, but they've really got what it takes under that gleaming surface. Don't take my word for it folks, look them over and drive them too. You'll not only be thrilled, but you'll find they've got it!

THEY'RE SLEEK & BEAUTIFUL, AND HOW THEY PERFORM!

AND HERE'S A TIP FOLKS! DON'T WAIT!!

What with pending strikes and all, why dilly dally around. Get your's today and then you can laugh at the fellow that got caught short.

RIGHT NOW — WHILE THEY LAST — YOU CAN OWN A
